

*Thank you for your support!*

Dear Friends of Harmony Hill School:

On behalf of the students and staff of Harmony Hill School, we want to offer our sincere thanks to everyone for your generosity to our school for our 4<sup>th</sup> Annual Wine Tasting Event! The support from all of our donors, Crystal Lake, Michael Antunes & Friends, and Kevin Kitson of Chepachet Village Wine & Spirits, along with his entire group of vendors was amazing.

We are so very grateful for such a wonderful and successful night filled with wonderful music, dancing, wine, food, and fun. Your support and involvement in our event will support the costs associated with revitalizing and purchasing new playground equipment for an outdoor area for our youth!

Harmony Hill School's vision is to have multi-purpose outdoor areas where our youth of all ages can participate in many types of open-air activities that will enhance their time on our campus. We envision these spaces to have a playground with age appropriate fitness elements, an area with tables and chairs for activities and outdoor reading areas. This new space would also allow for youth and their families to meet and have the opportunity to visit outdoors. With this in mind and given the nature of our population's needs, our goal is to give every youth that comes through our doors an opportunity to truly experience our picturesque campus while we provide a safe and stable environment for them to live and learn in.

The generosity that our friends have shown us is much appreciated and we will never forget your endless thoughtfulness for our organization. Your continued support for our endeavors enables us to provide quality programs and services to our students! We are proud to be recipients of your giving spirit, and thank you for all of your support this year! Happy Holidays and best wishes for a happy and healthy New Year!

With heartfelt thanks from all of us here at Harmony Hill School,
